Experience A Program Which Brings Music And Learning Together In A Fun Exciting Environment!

Our program offers an array of enriching music activities such as singing, moving, and playing instruments, challenging children while emphasizing musical progress and encouraging group participation.

Campers are placed in an age-appropriate group where they will experience the musical elements of rhythm, melody, and harmony through performance, drumming and singing games. All the campers will participate in a choral class

CAMP PERFORMANCE

We will conclude the week with a Final Camp Performance featuring the music the campers learned during the week

All parents & friends are invited!

Lunch will be provided after the performance and, if interested, you will have an opportunity to register for the 2014—2015 CCSC season.
